TOWN WARRANT

STATE OF NEW HAMPSHIRE

[L. S.]

To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, and in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the twelfth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

First—To choose all necessary officers and agents for the ensuing year, including a member of the Board of Selectmen for three years.

Second—To see how much money the Town will vote to raise and appropriate for the Goffstown Public Library.

Third—To see if the Town will vote to raise and appropriate the sum of four hundred ($400.00) dollars for improvements in our cemeteries.

Fourth—To see if the Town will vote to accept State aid for the construction of Class II road known as the Shirley Hill Road and raise and appropriate or set aside for said purpose the sum of one thousand nine hundred sixty-eight and 75/100 ($1.968.75) dollars; or will accept State aid for construction of Class V roads and raise and appropriate or set aside for said purpose the sum of nine hundred thirty-seven and 16/100 ($937.16) dollars.

Fifth—To see if the Town will vote to authorize the Trustees of the Goffstown Memorial Library to replace the old worn-out walks in front of the Library Building with new ones of cement and raise and appropriate money for the same.

Sixth—To see if the Town will vote to adopt the provisions of the Municipal Budget Act.

Seventh—To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.

Eighth—To see if the Town will vote to allow its Selectmen to hire sufficient money to meet the current expenses of the Town in anticipation of its 1935 taxes.

Ninth—To see if the Town will vote to allow its Selectmen to renew the Bridge note, so called, held by the Hillsborough County Savings Bank, upon which fourteen thousand ($14,000.00) dollars was due January 31, 1935, at such times as the bank may require.

Tenth—To see if the Town will vote to raise and appropriate the sum of one hundred ($100.00) dollars for band concerts the coming summer.

Eleventh—To see if the Town will vote to raise and appropriate a sum of money to which the State may possibly add twenty-five per cent for the control of the White Pine Blister Rust.

Twelfth—To see what action the Town will take relative to the regular collection of garbage in Goffstown Village and raise and appropriate money to cover the cost of same.

Thirteenth—To see if the Town will vote to lay out and improve Roosevelt Street, so called, from the Mast Road, so called, easterly to the Manchester line as shown on plan of lots called Pinardville and filed in the Hillsborough County Registry at Nashua and to raise and appropriate money for the same.

Fourteenth—To see if the Town (a) will have laid out as a public highway that road as it now runs over the Shirley M. Johnson land on Shirley Hill by the pond and through the woods westerly to the Ferren Road near the late John R. Ferson's field, provided that the necessary rights can be acquired by deed from the present owners of the Johnson land without

cost to the Town and (b) will have discontinued as a public highway so much of the Ferren Road as now extends easterly from the Ferson field through the woods by the Johnson, McDougall and White lands to the Shirley Hill Road.

Fifteenth—To see if the Town will vote to acquire Tirrell's Pond, so called, and lay pipes from the same to hydrants to be installed at Grasmere for fire protection and raise and appropriate money for the same or to see if the above described plan can be made a Federal Project.

Sixteenth—To see if the Town will vote to lay out and improve Larch Street, so called, as shown on plan of lots called Pine Hill, on file in the Hillsborough County Registry, and raise and appropriate money for the same.

Seventeenth—To see if the Town will vote to raise and appropriate money to improve and apply tarvia on street leading from South Mast Street, so called, northerly about nine hundred feet in Shirley Park.

Eighteenth—To see if the Town will vote to lay out and improve Higgins Street, so called, from the Mast Road, so called, easterly as shown on plan of Provencher Plat on file in the Hillsborough County Registry and raise and appropriate money for the same.

Nineteenth—To see if the Town will vote to lay out and improve Moreau Street, so called, as shown on the plans of Brooklawn Park and Libbey Plat, for a distance of 550 feet on Brooklawn Park and 1,000 feet on Libbey Plat, and to raise and appropriate money for the same. Plans of said lots are on file in the Hillsborough County Registry.

Twentieth—To see if the Town will vote to lay out and improve Desaulnier Street, so called, westerly from the Mast Road, so called, for a distance of 1,282 feet to College Road, as shown on plan of Desaulnier Plat as made by E. N. Sheffield, C. E., and on file in the Hillsborough County Registry, and to raise and appropriate money for the same.

Twenty-First—To see if the Town will vote to lay out and improve Cross Street, so called, as shown on the plan of lots called Provencher Plat and on file in the Hillsborough County Registry, and to raise and appropriate money for the same.

Twenty-Second—To see if the Town will ratify and approve the action of the Selectmen in granting to the Connecticut River Power Company the perpetual right and easement to run poles, towers and wires across a three hundred and fifty foot strip of land acquired by the Town for taxes from the B. F. Merrill estate, and the execution of the necessary papers in connection therewith .

Twenty-Third—To raise and appropriate such sums of money as may be necessary for the support of the poor, for the repairs of highways and bridges, and for Memorial Day and other legitimate Town expenses for the ensuing year.

Twenty-Fourth—To hear the reports of agents, auditors and committees and pass any vote relating thereto.

Twenty-Fifth—To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-fifth day of February, 1935.

CHARLES E. PHELPS,
GEORGE L. EATON,
LESTER CLARK,
Selectmen of Goffstown

HARRY F. COLBURN,
Auditors

REPORT OF GOFFSTOWN VILLAGE FIRE PRECINCT

Fire Wardens

and

Water Commissioners

ANNUAL REPORT OF THE FIRE WARDENS OF THE GOFFSTOWN VILLAGE FIRE PRECINCT

The Fire Wardens are elected by the Precinct, but also serve the Town of Goffstown.

To the Citizens of the Town of Goffstown:

GREETINGS:

During the past year, although the Fire Department has answered fifty-three calls for assistance, we have been extremely fortunate locally in confining our loss to practically one dollar per capita. We have also sent aid to the adjoining towns of New Boston, Dunbarton and Deering.

LIST OF FIRES

19	Chimney	11	Brush
7	Grass	3	Dump
1	Auto	1	Oil Burner
7	House	3	Out of Town

1 Sawdust Pile

The quickness of the Firemen in responding to fires is remarkable. This means a great deal in keeping losses down, for a few seconds at the start of a fire means more than half an hour. when a fire has reached its height.

I quote from the records of the Forestry Department at Concord regarding the Mountain Fire. As reported by Mr. Lillis, the Lookout: "I discovered a fire on the north side of the South Uncanoonuc Mountain. I immediately got in touch with Chief Paige. Just fifteen minutes from the time I phoned him the members of the Fire Department were on the fire line. The road from Shirley Station is under construction and it takes six minutes for the Incline Car to make the Summit. The firemen, with the help of others, made a wonderful stop in remarkably fast time."

On May 14, about 4 A.M., the alarm was sounded for a cellar fire at the Hammond house in Grasmere. Rev. Mr. Brewster phoned the call. He dressed immediately, but the Department passed him before he reached the fire, the Department having traveled 3 miles.

During the year two parties settled the Town's claim for expense in extinguishing fires set unlawfully. Please remember the State Law requires a permit to burn, and if conditions are favorable, a permit is freely given, so please obey the law.

In one place we were called to a chimney fire. We found that near the roof burlap bags were wound around to prevent creosote from leaking through the ceiling. Another, instead of having a thimble, a lard pail was set in. Friends, why endanger the lives of others by allowing such conditions to exist? Please be careful!

Don't look over your neighbor's chimney. Without a doubt your own needs attention.

While we feel justly proud of our fire equipment, we must care for and protect the lives of those who battle the fiery elements, either to save property or the lives of loved ones. Reliable hose must be at hand and especially reliable ladders. The recent fire at Hillsboro, when a ladder broke, costing a promising young man his life, and placing others in the hospital, should be a warning to us all. Money never can replace the loss there, but perhaps a few dollars invested in a reliable ladder might have prevented the accident.

As members of the Board of Fire Wardens, we are always ready to assist you in your hour of need. We therefore do not hesitate to seek from you whatever financial aid is necessary to keep our apparatus in first-class condition.

Respectfully submitted,

W. A. PAIGE,
W. A. MARTIN,
H. J. RICHARDS,
R. M. GORDON,
W. S. WHIPPLE,
Fire Wardens

ACCOUNT OF W. A. PAIGE, TREASURER OF THE GOFFSTOWN VILLAGE FIRE PRECINCT

1934-35

AUDITOR'S CERTIFICATE

This is to certify that I have examined the accounts of William A. Paige, Treasurer of the Goffstown Village Fire Precinct, and Carl B. Pattee, Collector, and Frank A. Parker, Treasurer of the Precinct Water Board, and find them correct, with proper vouchers for the same.

GEORGE L. EATON,
Auditor

REPORT OF HEALTH DEPARTMENT

The collection of garbage in the thickly settled section of the Town is a very vital question and warrants careful consideration and some positive action at the next Town Meeting.

The "Sewer Fund" should have additional appropration made to it. Many complaints have been made about small "dumps" along the highways which not only are an eyesore but in most cases are a nuisance.

Citizens should use the Town dumps.

A public dump should be provided in the Pinardville district this year.

Since putting the license system for the sale of milk in operation, laboratory tests show a marked improvement in the quality of milk dispensed.

Nineteen licenses were issued the past year and a revenue to the Town of $38.

Several samples of water from Glen Lake were sent to the State Laboratory and reported "as fit for swimming."

The water at the Barnard Playground is not fit for swimming purposes.

A good swimming pool is much needed in this town.

Few citizens realize the vast amount of work accomplished by Mrs. Carrie C. Price, R.N., staff nurse of the Division of Maternity, Infancy and Child Hygiene of the N. H. State Board of Health, in this town the past year. A partial summary follows:

Dental clinics held (5 days)	3
Children examined	83

Teeth extracted	19
Teeth filled	65
Teeth treated	130
Sets cleaned	48
Tonsils and adenoids removed	6
Eyes treated (in pre-school children)	2

Over 300 home visits made in the interest of maternity patients, babies and pre-school children.

Twenty-seven cases of measles, five whooping cough, and two scarlet fever have been reported to this office.

This town should have a community nurse.

ROBERT M. GORDON,
Health Officer

REPORT OF RECREATION COMMISSION FOR CARE OF BARNARD'S PLAYGROUND

The Playground Commission met and appointed as chairman Alfred W. Poore, taking the place of Guy B. Thorpe, whose term had expired and who did not wish to continue as a member of the Commission. Ruth Luscombe was reappointed by the Selectmen and Stanley W. Wright was appointed to serve for three years.

The general upkeep of the Playground was allotted as follows: Grand Stand, Tools, Electric Lights and Arch, Raymond Ewart; Ball Field, Score Board, Grass and Water, Stanley W. Wright: Tennis Court and Pond, Alfred W. Poore; Children's Equipment and Settees, Ruth B. Luscombe; Trees, Shrubs and Flag, Lina R. Lamson.

The Playground proved as usual a healthy outlet for various activities. The second Tennis Court still remains a thing of the future. The Commission realizes that all tennis players will appreciate the additional court when it is finally completed, but it takes funds to go ahead with the developing, and perhaps it is well to delay it a bit under present circumstances.

ALFRED W. POORE, *Chairman.*
LINA R. LAMSON, *Sec'y-Treas.*
RAYMOND EWART,
RUTH B. LUSCOMBE,
STANLEY W. WRIGHT.

Balance to be received from Town		$225.00

LINA R. LAMSON,
Secretary-Treasurer

REPORT OF TRUSTEES OF GOFFSTOWN MEMORIAL LIBRARY

In presenting this report on the work of our Library, it is a pleasure to announce the satisfactory operation of the new children's room, which is open from 2 to 5 P.M. on Wednesdays and Saturdays. A reading table and chairs have been purchased and new book cases installed, on which are arranged the juvenile books, where they are easily accessible to the younger readers. While still more equipment is needed, we feel that an excellent beginning has been made towards an up-to-date children's room.

In order to keep the Library building in proper repair, it will be necessary to have considerable work done during the next few months. The walls and ceilings of the delivery hall and stack room should be refinished and the toilets need to be replaced with modern plumbing. A new sidewalk around the building is another imperative necessity, the cost of which will require an additional appropriation.

The residents of Goffstown who remember our institution as the Rogers Free Public Library will be especially interested in the donation we received last year from Henry Munroe Rogers of Boston, son of the man for whom the Library was named in 1888. The amount given was three hundred dollars and was in memory of his sisters, Clara Bates Rogers and Lucy Sumner Rogers. This money has been deposited on the library savings account until such time as the Trustees decide to what use it may best be put.

The Shirley Club again donated twenty-five dollars for the purchase of children's books and for the first time the income from the Butterfield Fund has become available.

Miss Louise Marden and Miss Annie Harrington have continued in the work as Librarian and Assistant Librarian and as has been her custom for some years. Miss Marden has operated the delivery station at Grasmere Village during the summer months. Miss Margaret Stark continues as substitute and when Miss Ruth King, who had been serving in that capacity, moved out of town, we were fortunate in securing in her place Miss Marion Goodwin, a graduate of New Hampshire University and the School of Library Science of Simmons College.

To all friends of our institution who by their gifts have shown their appreciation of the work we are trying to do, we wish to express our sincere thanks. Whatever we may accomplish is due in no small part to the friendliness and generosity of the citizens of our community.

WILLIAM E. BLAISDELL,
Chairman
HARRY S. PARKER,
B. FRANK DAVIS,
MARY A. WARREN,
ELISABETH B. HOLT,
RUTH B. GAGNON,
Trustees

REPORT OF TRUSTEES OF CEMETERIES

Another year has passed and we are again called upon to make our annual report. The Superintendents of our cemeteries have during the past year performed excellent service in supervising the work done in the cemeteries under their care, and the well kept lawns are a source of satisfaction to our people. Many complimentary remarks are heard from former residents and visitors upon their appearance.

A new fence has been erected across the west end of Westlawn, adding much to the looks of that section of the cemetery, and it is hoped that in the near future a new fence may be constructed on its southerly side.

At Shirley Hill numerous improvements were made, such as clearing the brush on adjacent land and setting out trees, adding much to the looks of the cemetery.

We are pleased to announce the gift of one thousand dollars from the late Mrs. Florence Shirley Marden for the upkeep of the lot in which her parents are buried, and the general upkeep of the Shirley Hill Cemetery.

At Hillside Cemetery many minor improvements have been made and the general appearance much improved. In the near future some of the new land acquired must be cleared, fenced, and a new driveway or driveways constructed.

During the past month we were called to mourn the loss of one of our citizens, Edgar W. Poore, who for many years has

served as a valued member of the Board. He possessed excellent judgment and a love for order and beauty that will make his place hard to fill.

SCHOOL WARRANT

To the Inhabitants of the Independent School District of the Town of Goffstown, in the County of Hillsborough, State of New Hampshire, qualified to vote in the District affairs:

You are hereby notified to meet at the Town House in said district on Saturday, the ninth day of March next, at 7:30 in the evening, to act upon the following subjects:

1. To elect a Moderator, a Clerk, a member of the School Board for three years, a Treasurer, Auditors, and any other officers necessary to conduct the affairs of the district.

2. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district as determined by the School Board in its annual report.

3. To see if the district will raise and appropriate the amount of $1,300.00 for insurance on the new school building, or pass any act in relation thereto.

4. To see if the district will vote to adopt the medical inspection act, and raise and appropriate money for carrying out its provisions.

5. To hear reports of Auditors, committees, or officers heretofore chosen, and pass any vote in relation thereto.

6. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 20th day of February, 1935.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of Goffstown Independent School District:

The current year is my twelfth as Superintendent of Schools in this supervisory union. When I came, the union consisted of the following districts: Goffstown Town, Goffstown Independent, Bedford, and New Boston. There were three towns and four school districts and so remained until two years ago.

The following table will indicate—regarding each district—the number of teachers, pupils, and buildings in which schools were carried on. The figures given hold generally for about the first five years.

District	*Teachers*	*Pupils*	*Buildings*
Goffstown Town	10	180	5
Goffstown Independent .	8	220	2
Bedford	9	175	8
New Boston	11	160	8
Total	38	735	23

During the years from 1922 to 1933 the towns and districts remained the same. However, the forces at work everywhere were bringing changes in this union.

Bedford, in these years, moved with the tendency noted above, which led to the closing of one-room schools. As the table above shows, there were nine buildings in that district in use up to ten years ago. All but one were the usual one-room rural buildings. First, a two-room building was erected at the Center, which brought together pupils from one or two other buildings. Following that, in order to take care of the increasing school population in a section adjoining Manchester, an-

other two-room building was erected. A few years later, a third building, a three-room, was erected near the Country Club. These three modern buildings eliminated all the old one-rooms and provided increased school advantages to all.

New Boston, which had eight buildings in use in 1922, has now but one. All of the school population of the town comes there to the village. The building, after changes and remodeling, provides amply and comfortably for all, with modern conveniences. The chief advantage, however, is in the educational opportunity in providing in so far as is possible equal privilege for all. There are three elementary groups: Primary grades, one to three; Intermediate, four to six; Junior High, grades seven to eight; and Senior High School.

In the Goffstown Town District, three one-room buildings were in use twelve years ago. Since that time, one has been closed in the east part of the town. Two one-room buildings are still in use, each having more than twenty pupils.

During the school years 1932-1933 and 1933-1934, it became necessary for the State Department of Education to re-group the various towns in the State in order to decrease the number of Unions. This meant that a number of the remaining ones had to be made larger. In this period of change, Bedford was taken from the Goffstown Union and annexed to that composed of Hudson, Merrimack, Litchfield, and Pelham.

In place of Bedford, Weare, which had previously been with Hopkinton, Henniker, and Dunbarton, was assigned to Union 19. This kept the number of towns and districts the same, three towns and four districts: but increased the total number of teachers by eight, increased the number of buildings by seven; increased the number of pupils, increased, by many miles, the travel required.

The following year, 1933-1934, when further reorganization was necessary, Dunbarton was added to Union 19, increasing teachers by four and adding about 80 pupils and three buildings. At the same time Bow was assigned to this Union, and

added seven teachers, five buildings, and about 150 pupils, and additional travel. So that during the current year the Union is made up of five towns and six school districts.

The table below, similar to one used previously, gives corresponding data for the Union as it is at present.

1934-1935

District	*Teachers*	*Pupils*	*Buildings Used*
Goffstown Town	9	250	4
Goffstown Independent .	9	246	2
Bow	7	140	6
Dunbarton	4	79	3
New Boston	5	140	1
Weare	14	264	10
Total	48	1119	26

Comparison of the Union in 1922 and as at present:

	1922	1934
Towns	3	5
Districts	4	6
Teachers	38	48
Pupils	735	1119
Buildings used	23	26

The demands upon a Superintendent are continuous and varied. The major portion of his time, however, is given to the direct supervision of the work done in the schools. Included in this is the selection of teachers, general supervision of the work, and plan. This can be accomplished only by being where the work is being done in the class-rooms. Observation may give rise to question or a suggestion as to purpose or plan or method or material. Plans may be discussed in teachers' groups, but more often are more effectively discussed by frequent personal conference.

Each of the fifty Superintendents in the State send a report each month to the State Office, a report of "inspection and su-

pervision." Their monthly summaries indicate that in this particular year the Union ranks among the few highest. The figures for the cities of Manchester, Nashua, and Concord are omitted in the following figures, and include the other 47 monthly reports of all other Superintendents.

For the school year since last September, and including January, 1935, the "calls" are as follows:

September, 155. Ranking ninth.
October, 171. Ranking fourth.
November, 143. Ranking fifth.
December, 124. Ranking sixth.
January, 144. Ranking fifth.

Total calls, 737. Ranking approximately sixth.

The selection or purchase of books for all schools, the estimating amount of "supplies" (supplies including the materials used by pupils), ordering, distributing to all schools in the five towns, requires considerable time. "Supplies" for the Union are usually combined in a "lump" amount, first to secure bids, and then on basis of prices, to purchase from one house in order to reduce transportation charges.

There are six meetings of School Boards each month, sometimes more, seldom less. In one month recently there were nine meetings with the School Board. There is considerable time needed for clerical work, reports and in securing information for teachers and Board.

In the Union now are three senior New Hampshire schools, Goffstown, Weare and New Boston. New Boston and Weare provide agricultural courses along with the usual ones. Weare also is giving Home Economics for girls.

In last year's "Scholarship Day" competition for scholastic honors among the graduating classes from high schools in the State, the two highest places in the English tests came to two schools in this Union. Goffstown tied with Lancaster for first place. Second place, only one point lower, was taken by New

Boston. There were nineteen high schools represented in this group competition.

In various ways, we are glad to acknowledge the help given by groups of people and individuals during the past year. The Women's Auxiliary of the American Legion gave money for free milk. This gift provided 180 jars for mid-morning drinks, or with the noon lunch. Also, the generous help of clubs and fraternal organizations enabled Miss Walker, the School Nurse, to conduct an almost four-day dental clinic. This remedial work now may prevent many ills later.

The schools are a community concern. They reach directly into a large number of the homes. They touch immediately the lives of about 250 young people. This last item is what makes the schools of serious significance. Since these young people have this school chance but once, it is well when all parents, teachers and those who direct the schools make common cause for a worth-while end.

Respectfully submitted,

J. BYRON TARNEY,
Superintendent of Schools

At the close of last school year, June 14, the following were graduated from Goffstown High School:

Class of 1934

Class Officers

President, Norton Phelps
Vice-Pres., Howard Kane
Secretary, George Bartlett
Treasurer, Kenneth Elder

Florence Elizabeth Bayliss
Miriam E. Berry
Hope Marilyn Boulton
Patricia Burnham
Mary Rosamond Childs
Sophia Efthemion
Bernice Ardelle Greene
Awilda Marion Hadden
Alexander Karanikas
Gardner Lamson
Constance Margaret Largy
Virginia Grace Largy
Doris I. Meekins
Roland Dean Mudge
Vivian Charlotte Persons
Emma Louise Sprague
David Paige Wakefield
Marilaura Whitney
Ruth Anne Whitney

Grammar School Graduates, June 14, 1934

Francis Bachelder
Paula Bodge
Maurice Ferguson
Mildred Ferguson
Virginia Greene

I hereby certify that I have examined the accounts of Ruth B. Gagnon, Treasurer of the Independent School District of the Town of Goffstown, and find the vouchers satisfactory and footings correct.

GEORGE L. EATON,
Auditor

July 20, 1934

REPORT OF THE SCHOOL NURSE

INDEPENDENT SCHOOL DISTRICT

Before submitting my annual report for the year 1933-34, I wish to thank the Superintendent, members of the School Board, the teachers and the different organizations for their interest and kind co-operation in the health work of our schools, especially those who helped finance and make our dental clinic possible in November.

Report of the School Examinations

Number of pupils examined at the beginning of the school year	250
Those found to have defective teeth	200
Teeth corrected	145
Defective vision	27
Vision corrected	24
Operative tonsils	33
Tonsilectomy	13

Accompanied 1 child to an occulist.
Accompanied 1 child to a throat specialist.
Accompanied 3 children to the tubercular clinic.
Accompanied 3 children to physician.
Accompanied 2 children to the dentist in Manchester.
Accompanied 3 children to the mental hygiene clinic.

A dental clinic was held November 20, 21, 22; 102 received complete care.

The correction of physical defects has always been a source of concern to our school physicians and school nurses. Many homes where the family income cannot be stretched to include extra attention to children who have defective teeth, tonsils, eyes, etc., have been benefitted.

The Child Health Recovery Program was made possible July the first through an allotment of Federal funds to the New Hampshire Relief Administration for the purpose of providing treatment for needy children suffering from these defects.

Hot lunches were provided in many of the rural schools, also milk and cod liver oil.

It might be interesting to know that through the Relief and other sources this Union, consisting of Goffstown Independent, Goffstown Town, New Boston, Bedford, Weare and Dunbarton School Districts, 71 vision cases have been corrected, 57 have had their tonsils removed, and 475 have received complete dental care through our 7 dental clinics held since June, 1934.

EDITH G. WALKER, R.N.,
School Nurse

SCHOOL WARRANT

GOFFSTOWN TOWN SCHOOL DISTRICT

HILLSBOROUGH, ss.

To the Inhabitants of the Goffstown Town School District, in the Town of Goffstown, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in Grasmere on the 16th day of March next at 2 o'clock in the afternoon, to act upon the following articles:

ARTICLE I. To choose a Moderator, a Clerk, Treasurer, and Auditor for the ensuing year.

ART. II. To choose a member of the School Board for the ensuing three years.

ART. III. To hear the reports of the Treasurer, Auditor, and School Board, and pass any vote relating thereto.

ART. IV. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of statutory obligations of the District as determined by the School Board in its annual report.

ART. V. To see what action the District will take regarding contracts with the City of Manchester and with Goffstown Independent School District as to High School tuitions.

ART. VI. To see if the District will vote to adopt the medical inspection act, and raise and appropriate money for carrying out its provisions.

ART. VII. To transact any other business that may legally come before said meeting.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Goffstown Town School District:

Those who read this report are invited to turn back a few pages to my report to the Independent District, and there find at the beginning a statement concerning the Goffstown Supervisory Union covering the past several years. It seemed unnecessary to duplicate that information here. I trust the statement will make clear certain facts involved in the work of the Supervisory Union.

From this district 56 different pupils have entered High Schools this year. Of these 34 have enrolled in Goffstown and 22 in West Side High in Manchester. As to classes, the distribution is as follows:

Freshmen	15
Sophomores	13
Juniors	16
Seniors	12

While these twelve seniors will probably graduate in June, there will be entering freshmen next fall of about an equal number.

The tuition in Manchester is $100 for pupil per year. In Goffstown tuition is $70.00.

There are also ten elementary tuition pupils from this district in the village school. The elementary tuition is $50.00.

Last November classes in English for adults were begun at the Bartlett School. There were about 45 men and women who were eager to have such an opportunity. Some desire to complete their "papers" for naturalization. Some desire a better command of "every-day" English in reading, speaking, and usage. These classes meet at various times.

One group meets at 11 o'clock during the five school days and meets for about three hours Saturday morning. Tuesdays and Thursdays at 4 o'clock, there are groups for women. Monday, Wednesday, and Friday evenings there is one group of women and also a group of men. On Tuesday and Thursday nights there are two groups of men.

The chief expense here is that of teachers. At present there are two well-qualified men, each teaching fifteen hours per week. Their salaries are paid from federal funds at Concord. The School Board provides the building, heat and light. The building being already heated during the day and necessarily kept warm during the nights, the chief expense will be for lights. The adults in these groups are unbelievably regular in attendance and unusual in their willingness to give so much time and effort for self-improvement. The offering of this opportunity is justified by the response.

A group of contributors last fall in the Bartlett School neighborhood raised a fund for the purchase of a piano for the school. This added piano is a substantial help.

Again, to the members of the School Board and to teachers and all who are interested in helping, I express my thanks.

Respectfully submitted,

J. BYRON TARNEY,
Superintendent

REPORT OF THE SCHOOL BOARD

GOFFSTOWN TOWN SCHOOL DISTRICT

Supervisory unions of the Goffstown School District held their annual meeting with us this year, by invitation, at the Bartlett School, when Mr. J. Byron Tarney was re-elected Superintendent.

The Board is quite pleased to report that there is no district debt or interest on same this year, everything having been paid up during the past school year, which greatly reduces our budget this year, with no notes outstanding.

We have tried, by reducing our budget over $4,000 this year, to prove to you our effort to make your tax dollars go farther, as promised last year.

During the year quite a few improvements on the used school buildings have been made. Your Board hopes to do a little each year from now on, so watch our budget for the changes will be included in it.

In this year's budget the two largest items are High School tuitions and transportation. In both we have no control. Each year they seem to increase. Of the latter it is interesting to note that within the State, during the past five years, in rural districts, transportations have increased by 2,835 in number of children, and the cost of same has been reduced over $10,000; also the one-room schools reduced by 183 rooms.

In conclusion, during the past year the Board wishes to acknowledge the faithful work and co-operations of its Superintendent, teachers and parents.

RAYMOND C. GREER,
Chairman of School Board

REPORT OF THE SCHOOL NURSE

GOFFSTOWN TOWN SCHOOL DISTRICT

Report of the School Examinations for the Year 1933-1934

A physical examination is afforded every child at the beginning of the school year.

Two hundred and sixty-five were weighed and measured, teeth, tonsils, eyes, ears, lungs and heart were examined, and the parents were notified or visited when defects were found.

Those found to have defective teeth	200
Operative tonsils	27
Defect corrected	15
Defective vision	15
Vision corrected	8

Two attended the goiter clinic in Manchester.
One gland operation.
Accompanied 1 to tubercular clinic.
Accompanied 3 to physician.
Accompanied 1 to hospital for asthma.
Accompanied 4 to skin specialist.
Accompanied 1 to mental hygiene clinic.
Accompanied 14 to District Nursing Association for extractions.

A dental clinic was held November 27th and 28th. Also, I took 45 children into Dr. Bethel's office in Manchester.

July 1, 1934, the Child Health Recovery Program was made possible through an allotment of Federal funds to the New Hampshire Relief Administration. This department was actively interested in aiding children suffering from defective

teeth, tonsils, vision and hearing and whose parents were on relief or who were barely able to make both ends meet.

This service was to be used only on those children who were being deprived of care and whose parents were actually unable to provide for them.

Through this fund hot lunches were provided in many of the rural schools, also milk and cod liver oil.

The co-operation which these children received from the physicians, the County Hospital, the District Nursing Association through their free clinics, the teachers and the different organizations was greatly appreciated by the School Officers and parents of the children.

It might be interesting to know that through the Relief and other sources this Union, consisting of Goffstown Independent, Bedford, New Boston, Weare, Dunbarton and Goffstown Town School District, 71 vision cases have been corrected, 57 have had their tonsils removed and 475 have received complete dental care through the seven dental clinics held since June, 1934.

EDITH G. WALKER, R.N.,
School Nurse

FINANCIAL REPORT

GOFFSTOWN TOWN SCHOOL DISTRICT

For the Fiscal Year Beginning July 1, 1933 and Ending June 30, 1934

Auditor's Certificate

This is to certify that I have examined the books and other financial records of the School Board of Gofftown Town School District, of which this is a true summary for the fiscal year ending June 30, 1934, and find them correctly cast, properly vouched.

KATHERINE T. BARTLETT,
Auditor

July 5, 1934
